

INLAND RIVER RECORD LISTING FORM

If you have added new boats to your fleet, not reported in the previous edition, let us know so they may be properly listed. Here is the information we need for listing:

1. Name and type (towboat, tug, passenger, etc.)
2. How many propellers?
3. What year was it built?
4. What shipyard built it? Where is the shipyard located?
5. What is the overall length (including sternwheel), width and depth? If other than steel, please specify.
6. What make of engine?
7. What model of engine?
8. What is the boat's rated total horsepower?
9. What make of reduction gear?
10. What ratio of reduction?
11. Is it equipped with Knot nozzles?
12. If propelled by Z-Drives, please provide make and model?
13. If it had a former owner, who was it?
14. If it had a former name, what was it?
15. What year did you acquire the boat?
16. Who is the present owner? If different, who is the operator?
17. What is the proper mailing address?
18. What is the official number for Coast Guard documentation?
